**Dr. Prabjeet Singh** joined as Assistant Professor (Fisheries) at College of Fisheries, Guru Angad Dev Veterinary Sciences University (GADVASU) and has played a significant role in the introduction of shrimp (*Penaeus vannamei*) in the state of Punjab and standardizing its region specific package of practices. His technical support to the shrimp farmers has made a significant impact in uplifting the socio-economic status of debt-ridden destitute farmers of South West Districts of the Punjab. He was awarded a “Visiting Researcher Fellowship” by the International Centre of Excellence in Seafood Science and Innovation (ICE-SSI), Prince of Songkla University Hatyai, Thailand. He is also the recipient of Young Scientist Award, Research Excellence Award and Fellow of Society of Life Sciences. He has authored 37 research publications in peer reviewed high impact factor journals and has 779 citations with an H-Index of 10. He is a passionate extension worker and is providing his untiring services to the shrimp and fish farmers of the state.
